

Friends of Scouting Unit Commitment

As you know, Scouting doesn't just happen; there's a lot of work that goes on behind the scenes to provide quality Scout experiences. Scouting happens because of the dedicated work of Scout leaders and parents, our communities, and the Bay Area Council. As the council, we provide training for youth and adults, financial assistance for disadvantaged youth and families, insurance protection, the services and resources of the Appleton Center for Scouting, operation and maintenance of our Bay Area Council Scout Camp, indoor activities, outdoor adventures, and more!

One of the ways to ensure the continued success of Scouting within the Bay Area Council is our annual Friends of Scouting Campaign. With your support, we will continue to deliver the Scouting program. This campaign is vital to support Scouting right here in your neighborhoods and throughout the Council.
