Adult Leaders in Units

Recommendations of the adult selection committee, with the approval of the Scout Executive, serving as the Supreme Chief of the Fire, will be candidates for induction provided the following conditions are fulfilled:

- Selection of the adult is based on the ability to perform the necessary function to help the Order fulfill its purposes, and not for recognition of service, including current or prior achievement and position.
- The individual will be asset to the Order because of demonstrated abilities that fulfill the purpose of the Order.
- The camping requirements set forth youth members are fulfilled.
- The adult leaders' membership will provide a positive role model for the growth and development of the youth members of the lodge.

Announcing Results

As soon as the election is completed, the unit leader may choose to announce to the entire unit the names of members who have been elected or the unit leader may choose to postpone this announcement until the public calling out ceremony is held. Names and addresses of the newly elected candidates must be forwarded to the lodge membership committee immediately. Candidates will be called out at the earliest possible time, either at a Camporee, a resident camp, or a special ceremony. The names and addresses are listed on the Unit Election Report. OA team members sign the form and deliver or mail it to the correct lodge representative.

Candidate Status

After election, a Boy Scout, Varsity Scout adult remains a candidate until completion's of the Ordeal and Ordeal Ceremony. If this period of candidacy exceeds one year the candidate's name is dropped and he no longer is a candidate. To become a candidate again, he must be reelected again. The executive committee of the lodge (chapter) may extend the one-year limit between elections and induction if the candidate is ill or there are other unusual circumstances.

Order of the Arrow Unit Election Procedures

Wihinipa Hinsa Lodge 113 - Bay Area Council, BSA

Our lodge holds unit elections from January through the end of March. Unit leaders will be contacted and informed of this well in advance. The lodge (chapter), through the unit elections committee, will work with the unit leader in establishing the actual time and place to conduct the elections according to the following:

1. Hold the election at the time and place determined by the unit leader, and have Boy Scouts or Varsity Scouts assembled with their unit leader ready to elect candidates. The Order should be represented by a two- or three-member team from the lodge or chapter unit elections committee.
2. Before the election, the OA team must secure from the unit leader verification that at least 50% of the registered active unit membership is present. If at least 50% is not present, an election cannot be held. The number of registered active Scouts and the number present are entered in the spaces provided on the Unit Election Worksheet and Report forms. If the unit leader is an Arrowman, he may explain to the group the purpose of the Order of the Arrow and the basis upon which candidates should be selected, and describe the methods of elections. If the unit leader is not a member of the Order, a member of the OA team should make this presentation with the unit leader's consent, demonstrating that election leadership is a cooperative effort of the unit leader and the OA team.
3. The unit leader provides a list of all registered active Scouts of the unit who meet all eligibility requirements, including attitude and participation. Before the election, the names of these Scouts are entered on the Unit Elections Worksheet and Ballot and the unit leader signs the ballot. Copies of the completed Unit Elections Ballot can be made to hand out to the Scouts to use for voting.
4. The elections team leader explains the following to the unit leader:
 - This is the current method of elections approved by the national OA committee in use by the lodge (chapter).
 - All eligible youths who receive votes from at least 50% of those who turn-in ballots are elected. If no one is elected a second vote may be held immediately, and the result of this vote is final.
6. A voter may check on his ballot any combination of names, including all eligible candidates who he believes are worthy to become members of the Order of the Arrow.
7. The OA team conducts the election following the instructions in the Guide for Officers and Advisors. If the election team uses an alternate ceremony, it should be sure to stress the following points:
 - Select the candidates who, in your opinion, have set the best examples of brotherhood, cheerfulness, and service.
 - Vote only for those you believe will continue in unselfish service to you troop.
 - If you feel that no one is worthy, turn in a blank ballot.
 - If you are new in the unit and do not know the candidates well enough to vote wisely, you may abstain by not turning in a ballot at all; this will not effect the final result.
 - Youths eligible for elections also vote, and they may vote for themselves if they feel they are worthy.
8. When the voting is finished, the OA election team counts the number of ballots turned in and enters this number on the unit election report.
9. The OA team determines the minimum number of votes one must receive to be elected, as follows: If the number of ballots turned in was even (2, 4, 6, 8, etc.), divide this number by two. If the number was odd (1, 3, 5, 7, etc.) add one and then divide by two. The number of votes a youth must receive is then entered on the unit election report form.
10. The votes are counted in private by the election team and the unit leader to determine who has been elected. All votes count equally, if at least one has been elected this result is final. If no one is elected, the OA team announces this fact and states that the unit will now be given the opportunity to vote again. Time is allowed for further explanations of the purpose of the Order and the election procedures, and for any questions. (No information about the votes received by candidates is to be revealed at any time.) The second election is then held immediately, and if the unit still elects no one, this is the final result for the years election. The OA team places a check mark next to the names of those who have been elected.
